

## Traditional Tales

This week we have been sharing Goldilocks and The Three Bears. We have listened to and watched the story on the interactive whiteboard.

We helped the Three Bears to sort out their bowls and chairs in order from smallest to biggest.

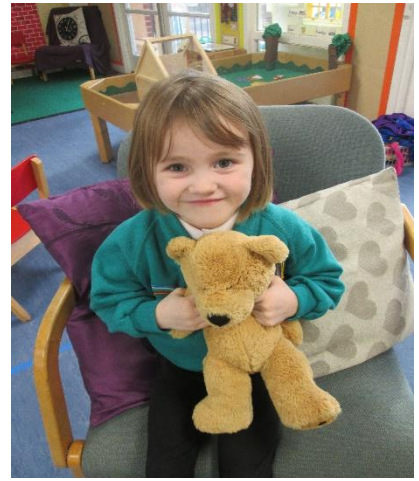

We all enjoyed making and tasting porridge, we ate it quickly before Goldilocks could get any!

In the role play area we have been retelling the story and exploring the smell and texture of the porridge oats.

We also invited our teddy bears and grown-ups to come for a Teddy Bears picnic. We made sandwiches and bear ear headbands and Miss Kemp read us Goldilocks using different voices for the Bears!

Next week we are going to be reading The Gingerbread Man.
