

Collective Worship

In Foundation Stage we were lucky to have Miss Bokth share a recent family wedding.

We explored the different ways in which people celebrated getting married.

We learnt about henna. It was amazing to see the patterns being applied.

We talked about the foods that are usually served – yum yum!

The best bit of all was looking at the gorgeous clothes that are worn to weddings.

This is a sari – look how long it is! It has to be wrapped around someone lots of times.

Miss Kemp was very lucky as she got to try it on!

We had a fantastic time looking at the traditions and are very grateful that Miss Bokth was able to share them with us.
