

Forest School – Week 8 – THE BEACH

Let's go to the beach, let's go get away!

This week we went to beach school!

We went to the rock pools to look for crabs. We think the herring gulls beat us to it though as all we could find were tiny crabs!

We found lots of other amazing things during our search though!

We used some of the things we found to make pictures.

We also made sandcastles!

We had an amazing time at the beach 😊
