

We have had a wonderful week of sessions at Forest School this week

This week we made our own Stick Man from the story by Julia Donaldson, this is one of our favourites so we were excited to make them. We whittled their faces and used special knots to attach the arms and legs.

We rescued a Bee from the Fire Circle before starting the fire to toast the marshmallows for our S'mores.

We then made our own obstacle course and raced each other around it to see who got the fastest time. This was great fun and we all enjoyed it.

Another lovely session using the woodlands as our classroom, we are looking forward to our next adventure.
