Final Session at Forest School

Tuesday 9th October 2018

Dear Parents and Carers

As you are all aware we are coming into the last few weeks of the sessions at Forest School. All of the children have had a great time and have learnt many new skills.

On the final week of sessions, week commencing **5th November 2018**, we would like to invite parents and carers of **all classes** to come along and work alongside your child and their class. This will be an opportunity to come and observe the activities the children have been doing.

You will need to make your own way to the Forest School site and I ask you to meet us in the car park at the site at Quex Park by 10:30am to allow us to meet you and take you to the group. **If you arrive any later than this, we will not be able to take you to the group as the site needs to be secured.** The car park is situated in the large paddock on the right hand side as you enter Quex Park and before you arrive at Quex house.

At the end of the session you will be able to take your child home if you wish, otherwise we will return to school and you can collect your child as normal. We ask you to indicate on the form below whether you intend to take your child directly from Forest School so we can arrange transport back to school.

You will need you bring a lunch with you and ensure you are suitable dressed for the weather. Long trousers and sleeves are recommended; sensible footwear is essential. Staff have asked us to remind you that the site is no smoking.

We are looking forward to seeing you at this final session and are sure that you will enjoy working with your child.

Please note 1A's final Forest School session will be Friday 16th November 2018, as a session was missed on the 21st September.

Many thanks for your continued support and we are looking forward to an exciting opportunity.

Yours faithfully

Mr Piper
