

## Foundation Stage

### Hairdresser's Visit

The children in RB are making a Hairdressers in their role play area. We invited some real life hairdressers to come and show us what they do in their job and demonstrate cutting and styling some hair.

Mrs McLevy asked her sister and brother-in-law to come and see us. Tracey and Colin were very good and we really enjoyed meeting them and watching what they do.

Thank you both for coming in.
